Nourish, protect and repair your skin with Probiotics

More than 1000 types of bacteria live on our skin. The way to healthy skin passes through maintaining the balance of microflora, that is, good and bad bacteria on the skin surface.

Environmental factors such as cleansers, cosmetic products, air pollution and UV rays etc. that are not compatible with the pH value of the skin, stress and hormonal changes can disrupt the balance of the skin microflora. As a result of this, problems such as acne, sensitivity, blemishes, redness, dehydration, wrinkles and eczema appear on the skin.

Robin&Odin PRO:1 care series enriched with probiotics have been specially formulated and developed to restructure the microflora, strengthen the skin barrier against external factors and help the skin defend itself.

Robin&Odin PRO:1 Probiotic Face Cleansing Gel 250ml

It deeply cleanses the pores of your skin, helping to get a cleaner, silky appearance.

Usage: Soak your face, make the product fuss in your hands. Apply by gently massage the skin. Rinse thoroughly with water. It is suitable for all skin types.

Ingredients

Probiotics(Lactobacillus/Leuconostoc/Acetobacter/Kluyveromyces/Saccharomyces), Vitis Vinifera Seed Extract, Petroselinum Crispum Extract, Vitamin E, Goat Milk Extract, Citrus Junos Fruit Extract, Saponaria Officinalis Root Extract, Aloe Barbadensis Leaf Juice, Glycolic Acid, Lactic Acid

Robin&Odin PRO:1 Probiotic Liquid Peeling 125ml PIGMENTATION, PEELING, ACNE

Thanks to its special formulation, it cleans the skin deeply and gently cleans the oil, dirt and make-up residues on the skin surface.

By preserving the natural structure of the skin, it helps to reduce the appearance of dark areas in stained and dull skin, to prevent and remove acne formation.

Usage: Shake before use. Apply some peeling to the area to be used by rubbing and then rinse with plenty of water. Suitable for face, hand and body use.

Ingredients

Probiotics (Lactobacillus/ Leuconostoc/ Acetobacter/ Kluyveromyces/ Saccharomyces), Vitis Vinifera Seed Extract Rumex Occidentalis Extract, Aloe Barbadensis Leaf Juice, Citrus Junos Fruit Extract, Saponaria Officinalis Root Extract, Petroselinum Crispum Extract, Goat Milk Extract , Apricot Kernel Oil, Vitamin E, Hydrolyzed Garcinia Mangostana Fruit

Robin&Odin Vitamin C + Facial Serum 30ml

Radiance, Glow, Anti-stain & Brightening Effects with Vitamin C

It helps moisturizing the skin; protects it against external factors, gives it a bright and lively appearance. Support strengthening of skin barrier. Visibly reduces the appearance of sun damage. Enhance the production of collagen and elastin. Aims to reduce appearance of fine lines and wrinkles (prevents and corrects the appearance of ageing). Hydrates the skin deeply. While helping to minimize the appearance of acne and sunspots, it also aims to balance dull skin and its uneven tone. Aims to give skin a fresh and bright appearance. Helps dull skin to regain its shine and glow

Gel Formula Ingredients

Vitamin C, Rosa Damascena Flower Water, Aloe Barbadensis Leaf Juice, Glycolic Acid, Hyaluronic Acid

Usage: It should be applied to clean skin with circular movements twice a day. It is suitable for all skin types.

Robin&Odin Hyaluronic Acid + Facial Serum 30ml

Intense Moisturizing & Skin Plumping Effect

It Protect the oil and moisture balance of the skin, helping your skin to look brighter, lively and natural through supporting of the skin structure. It helps the skin feel the moisture it needs all day. Developed to prevent the effects of aging, minimize the appearance of wrinkles, and injects volume to the skin. It provides high hydrating ability by attracting and binding water molecules. It helps the skin to moisturize naturally without disturbing its balance and makes it look smooth, bright, lively and natural.

Gel Formula Ingredients

Hyaluronic Acid, Rosa Damascena Flower Water, Aloe Barbadensis Leaf Juice, Glycolic Acid

Usage: Apply to clean skin with circular movements twice a day. It is suitable for all skin types.

Robin&Odin Collagen + Facial Serum 30ml

Elasticity & Anti-Aging Effect

Thanks to the support of collagen, it helps your skin to have a more tense and strong structure. It aims to increase the elasticity and smoothness of skin by adjusting the collagen balance. By supporting the skin barrier, it helps the skin to become long lasting and resilient against external factors. The anti-aging effect makes skin look tighter and fuller. Thanks to the hyaluronic acid in its content, the water holding capacity of the skin increases and thus helps to reduce the visibility of wrinkles. It protects the skin from environmental effects by regulating the oil, acid and moisture balance of the skin

Gel Formula Ingredients

Hydrolyzed Collagen, Rosa Damascena Flower Water, Aloe Barbadensis Leaf Juice, Glycolic Acid, Hyaluronic Acid

Usage: It is applied to clean skin with circular movements before going to bed at night. It is suitable for all skin types.

100% pure rose water (Rosa Damascena Flower Water): It ensures that the pH level of the skin returns to normal and remains in balance. It helps to prevent acne formation and balance the skin tone. Soothes, relaxes and refreshes the skin. Due to its high antioxidant content, it tightens, moisturizes and rejuvenates.

Glycolic Acid: It prevents the formation of wrinkles by accelerating the regeneration of cells. It supports collagen production in the skin. Protects the skin against dryness and flaking. It helps prevent acne formation.

Aloe vera: Moisturizes and soothes the skin.

Robin&Odin Hair Colors with Organic ingredients Hair Is More Shiny, Strong And Healthy

In the content of permanent hair dye with organic content; Wheat Protein, Aloe Barbadensis Leaf Juice, Grapefruit, Comfrey, Orange Peel, have been used which are certified as organic and Vitamins E and C, This is what lies behind its distinctive fragrance. The way it nourishes the hair, prevents non irritation on the scalp, moisturizes abundantly and adds sparkle. It perfectly covers the whites of the hair.

It is friendly to your skin. It is a much safer hair dye for allergic and sensitive skin structures. Thanks to its low pH value, it does not detract from the natural pH balance of the hair. It ensures that the scale layer on the hair is closed better and the new color stays on the hair longer.

Ingredients

Hydrolysed Organic Wheat Protein, Organic Aloe Barbadensis (Aloe Vera Extract), Organic Symphytum Officinale (Comfrey Extract), Organic Citrus Grandis (Grapefruit Extract), Organic Citrus Dulcis (Orange Extract), Vitamin E, Vitamin C

Robin&Odin Aloe Vera Gel 250ml

Moisturising, Cooling, Soothing

It helps providing moisture balance of the skin and relieving skin exposed to the sun and external factors. Cools down your sunburned skin, increasing the feeling of freshness and comfort. Soothes inflamed skin while giving the moisture you want. Moisturizes your skin abundantly when used with care creams. Highly recommended as a natural moisturizer for extremely dry skin after a shower. Reduces sensitivity when used after epilation

Castor Oil: It contains fatty acids that help maintain the moisture balance of the skin. Therefore, it is very successful in moisturizing the skin.

Glycerine: It protects the skin against the harmful rays of the sun. It keeps the skin moist for a long time and maintains the pH balance.

Ingredients

Aloe Barbadensis Leaf Juice, Vitamin E, Castor Oil, Allantoin, Gliserin

Allantoin: It has the feature of increasing the water holding capacity of cells. Unlike moisturizing the skin, it keeps the water in the skin for a longer time. Strengthens the skin barrier.

Vitamin E: Protects the skin against free radicals.
