ULUDAĞ FRUIT AND VEGETABLE PRODUCTS EXPORTERS' ASSOCIATION

A collage of various canned and jarred foods. In the foreground, four open metal cans are lined up, containing kidney beans, green peas, yellow corn, and white beans. Behind them are several glass jars and a large plastic jar filled with fresh vegetables like tomatoes, onions, and lemons. To the right, there are more jars of tomato sauce and a bottle of beer. The background is a plain, light color.
