ALTAS GROUP

Altaş Group started its operations during 1957 by entering the food sector. It was not long before the group gained people's appreciation with the help of its principles of quality and trustworthiness. Today, Altaş Group has been operated with more than 500 employees in 5 sectors including Food, Construction, Automotive, Education and Media.

Altaş made its mission to supply the highest quality products to its clients as fast as possible. For this reason, the group has adopted the most modern technologies in all relevant fields, combining it with 60 years of experience and applying this effective formula to all of its businesses.

After proving its success in trade, the group has moved onto the vegetable oil sector in 2009 by purchasing the facilities of Turkey's first hazelnut oil brand, which the group has been acting as the distributor for 7 years since 2002. With the wealth of knowledge Altaş inherited from its predecessor, the group further expanded the capacity and the efficiency of the brand. Today Altaş Oil Industry has become the world's biggest hazelnut oil production plant in the world.

Altaş Oil Industry operates with an expert team of employees within its fully integrated facility that is capable of handling pressing, extraction, refinery and bottling of various kinds of oils. These facilities have been awarded ISO 9001-2008 Quality Management System, ISO 22000-2005 Food Safety Management System, ISO 14000-2004 Environment Management System, OHSAS 18001-2007 Health and Safety at Work Management System and Halal certificates and TSE Certificates of Conformity for all of its products.
