## ABOUT US

Dear Authorized;

We would like to introduce you to ODES Sulfur. We are a reliability-centered company dealing with refining (granular) sulfur micronization (thinning 10  $\mu$ , and above). Our state-of-the-art machinery is capable of producing and packing at the highest of world standards.

We offer packages of 1, 5, 10 and 25 kg. We direct our activities with our product quality in both domestic and foreign markets and with the delivery motto: At The Promised Time. We are not limiting order quantities at this time.

Sharing our internationally accredited laboratory analysis with our buyers and our products and not giving up our product quality in any way is the biggest indicator of our reliability in market conditions.
