SENSUAL DESIGN

HIGHLIGHTS

CONSTRUCTION

ENGINEERED SOFTNESS

A vibrant and voluminous touch of the Tencel™ blend enables a bold and glossy feeling.

GENDER-NEUTRAL CHARACTER

A crosshatch design paired with a contemporary aesthetic and smooth softness.

ELEVATED ELASTICITY

The soft components of the fabric are powered by an innovation that builds on the success of the bodycon silhouettes.

SERENE TWILL

The S twill construction is enhanced with blended components to deliver the softest of all.

CLEAN ARCHITECTURE

A hyper-diagonal approach that connects high-touch sensibility with emotionally engaging denim characteristics.

HIGHLIGHTS

COLORS

VANTA BLACK

A Grunge-inspired Black that stays almost black at all times with slow transition of wash downs and without reaching grey cast during heavy washes.

IRISH BLUE

A key transpersonal color that offers an oxidized hue in dark washes and delivers fresh baby blue brights in heavy washes.
