TIMELESS

Designs

ECE is a design and construction company based in Istanbul.

Our team is unique, selected Turkish designers and architects at heart who love to service different countries.

Ece is a Turkish name that means Queen in English. So it suits our artistic style. Since establishing ECE, converts art to a warm and livable style. From private residences to commercial properties, product design to brand and fine art consulting, our works are known as graceful.

Classic

-ONLINE STORE-

Our first retail brand is ECE Classic, a home decor and furnishing online shop. As you see from its title, you can find classic-style items that we loved and used in our projects.

Our passion for art, following trends, cultures, and mastering works makes us useful to a lot of people around the world for 8 years.
