Burcu Gıda has combined the Anatolian flavors with the modern technology and become a fast-growing food company. Expanding both its capacity and its product range through the investments it has made, it has become a sought-for brand of flavor not only in the Turkish market but also in the international markets.

Burcu Gıda now has more than 450 food varieties, having included the common flavors of the world cuisines as well as our traditional specialties into its product range.

Lezzet Aşkıyla dolu bir dünya markası...

"Konserve ve hazır yemekte lezzet aşkı" sloganı ile 1982 yılında Burhaniye'de kurulan Burcu Gıda, Anadolu lezzetlerini modern teknolojiyle birleştirerek hızla büyüyen bir gıda firması haline geldi. Yaptığı yatırımlarla hem kapasitesini hem de ürün portföyünü genişleterek sadece Türkiye pazarında değil, uluslararası pazarlarda da aranan bir lezzet markası oldu.

Burcu Gıda şimdi, geleneksel ürünlerin yanı sıra dünya mutfaklarının ortak paydası olan lezzetleri de ürün yelpazesine katarak 450'yi aşkın ürün çeşidine sahip.

ARGE çalışmaları yaparak üretime girecek her tür hammaddenin kontrol ve analizini yapan Burcu Gıda, lezzetiyle de, kalitesiyle de tüketiciye özenle hazırlanmış ürünler sunuyor.

Önceliğini gıda güvenliği ve insan sağlığı olarak belirleyen Burcu Gıda modern arıtma ve laboratuvar tesislerine büyük yatırım yapıyor.

Dünyanın en bol oksijenine, en temiz toprağına sahip Kaz Dağlarının eteklerindeki köylerde kontrollü tarımla yetiştirilen sebzeler, Burcu'nun modern tesislerinde el değmeden hazırlanarak Türk ve dünya mutfaklarındaki yerini alıyor.
