TEXTILE

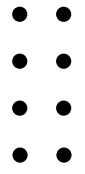

Company Profile

# About Us

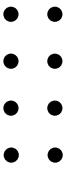

We create valuable garments.

Badıllı Tekstil was founded in 1979 by Nihat Badıllı. As a family company, it continues the activities with the 2nd and 3rd generations in Istanbul in a closed area of 6000 m<sup>2</sup>. Since the day it was founded, Badıllı Tekstil brings knowledge, design and technology together. Badıllı has been producing for international companies that shape fashion with its strong, innovative and professional team. Dresses, tunics, overalls, jackets, blouses, trousers, jumpsuits and similar products are predominant in Badıllı Tekstil's production line.

# Our Mission

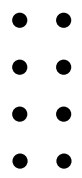

Badilli Tekstil seeks to produce high quality garments for everyone while providing enhanced services to its customers by pursuing business through innovation and advanced technology.

# Our Vision

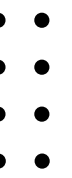

Aware that we are going through a period in which we need to be more sensitive to ecological production every day, Badilli Tekstil pays attention to the use of recycled fabrics and packaging by turning towards technologies that will keep carbon footprint and water consumption to a minimum.

# Our Services

## Design

With our large pattern library and experienced design team we deliver quick digital collections to our customers according to their needs.

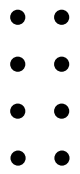

## Sourcing

Our network and experience in the ready-to-wear industry enable us to procure different types of fabrics and accessories that are requested by the customers in a short period of time.

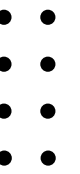

## Production

Cutting, sewing, ironing and finishing are all in-house made in our factory by 250 employees. Our monthly capacity is 250.000 pieces.
