Nature Inspired Beauty with Vegan Series

As Alix Avien Paris we offer the vegan series inspired by nature and developed with innovative solutions targeting makeup lovers with all types of lifestyles.

With our concept of adaptation to everchanging times, we add a flawless touch to makeup while presenting our face, eyes and lips products.

Supporting the conceptions of ecological balance and nature inspired beauty, our cruelty-free products consisting of animal derivative-free active ingredients are available for makeup lovers at pharmacies, drug stores and online channels.
