Grup

Soyserin Group has been continuing its production life for 40 years without compromising its understanding of quality products and has taken its place among the leaders of the sector today. It enlarges its production range day by day for young, children, baby rooms and bedding groups and develops better quality and easy to use products for you, its customers, day by day

Our company, which has an area of 52.000 square meters, produces in a machine park equipped with the latest technology in a closed area of 30 000 square meters. From the day we started working the service provided by our company, which is based on customer satisfaction, continues with "after sales services" after our product reaches the consumer

As the product of our superior technical knowledge and 40 years of experience, human health as well as comfort and durability have been considered in each piece of our product. We are happy to deliver our products to you with our sales points and reliable service network throughout the country. We are also proud to contribute to the Turkish economy by exporting to more than 50 countries.

The elegance that stands out in every piece is the effective result of our superior technical knowledge and our experience filtered through time.
