about us

Our company, Omak LLC, is founded in 1970 for the purpose of the importing and distributing office machines and copiers. Omak LLC then initiated its manufacturing activities in 1978 and gained a corporate identity by being incorporated in 1982.

Our company moved to its own production facilities, located at 45th km. on Haymana Road Ankara in 1986. Our facilities, in addition to manufacturing activities, house Administration, Storage, R&D and Quality Assurance Divisions. The Accounting and Import & Export Departments of the Company are situated at our office, located in City Center.

In 1989, our company began producing the seam-free Electric Under Blankets for the first time in Turkey thanks to the custom made machinery, which are designed and manufactured by us. As the result of the investments, made in subsequent years, our company has experienced a steady growth both in terms of capacity and product diversity. Apart from the Electric Under Blankets, the production industrial heaters took off as well. electric heating pads and auto heating pads, electric boot warmers and battery powered shoe sole heaters, were initiated as well.

Our plastic injection molding facility, established to manufacture semi-products, has expanded as we commissioned new machines to our pool. Further investments on machinery, moulds and R&D resulted in the production of a wide range of plastic home articles such as the crystal and plastic cloth hangers, clothespins, bathroom stools and lockable lid storage containers, waste bins, shoe boxes and ramps, cutlery sets and different types of organizers.

The initiatives that we undertook regarding the home textile division were reflected onto our investments as four lamination bands, silicon and fiber dispersion machine and automatic filling machines. The new products that joined to our lineup in home textile range are Fleece Blankets, Fire Retardant Ironing Board Covers, Bathroom Mat Sets, Polyester Bathroom Shower Curtains, Duck Fabric Kitchen Apron Sets, Duck Fabric Table Clothes, Lace Pillows, Silicon Pillows etc.

Omak LLC also engages with import activities and audits its suppliers regularly.

Our Company uses its registered trademarks of Greenleaves and DecoBella on its Home Textile, Bathroom Accessories, Bathroom Textile and Hardware Groups, uses Omlight on its Energy Saving lights and LED lighting products and uses its registered trademarks of OMAK for its industrial heating and temperature control systems.

Due to our competitive structure for all products that we manufacture in terms of quality, capacity and pricing, we have strong export activities in different countries. As the result of our export transactions, Greece, Germany, Romania, Morocco, Serbia, Russia, Azerbaijan, Bulgaria and Israel joined into our foreign client list.

Omak LLC, with its ever increasing product range, quality and reasonable prices, has become one of the largest suppliers in market chains in Turkey and Europe. In addition to the sales that we undertake to DIY markets, Hyper Market and Discount Market Chains by our own brands, we undertake manufacturing and exporting activities to various national chain markets such as A101 — Carrefour — Tesco and Koçtaş. With our Management Approach that constantly aims better in terms of product and service quality and with our mission and vision with the purpose of steady growth in the fields of manufacturing, export and import, Omak LLC shall continue making a name for itself. Our 46 years of experience and the trust will remain as the most important investment that we make to our future.
