BARAN TEKS. TAS. GIDA TIC. LTD. STI.

ABOUT HYPNO

Hypno Energy Drink, a brand of Baran Teks. Tas. Gida. Tic. Ltd. was launched in 2016. While our group is headquartered in Turkey, we have continuously increased our international presence over the years. At present, Hypno is active in more than 30 countries such as Congo, Guyana, Lebanon, India, **Uganda**, Tanzania, and several other markets. Chad and Senegal are the recent additions to our international markets, and we continue to expand into newer territories.

With Hypno, we always aim to offer a premium quality energy drink at a competitive price. Hypno continues to do well in

different markets because of its high quality, refreshing taste, appealing design, and competitive price, all of which have been appreciated and recognized by the end consumers. For us, excellence in quality and maximizing customer satisfaction continue to be our main goals in our journey forward. We have a dedicated R&D Team that works efficiently to come up with new ideas and innovations to support our partners and continuously improve Hypno.

It is for this reason that Hypno is always and only compared with other distinguished and reputable brands such as Red Bull.
