OUR BRANDS

EGERIA is an international company in the area of towelling and fashionable bathrobes.

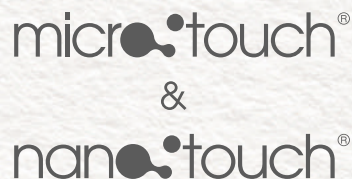

Developed from the Swabian traditional company EGERIA, it became a well known brand and rank among the "inventor of towelling" within the textile sector.

Out of creativity and fascination, we have always created an unique combination of ambitious fashion and high quality.

Founded in 1920 in Tübingen, EGERIA manages the following departments independently:

- design
- sales
- distribution
- logistic
- finance

The reflection of flawless harmony and proportion between the whole and its constituent pieces is known as the Golden Ratio.

At Sanko Towel, our master towel makers have been inspired by the Golden Ratio to create Nano Touch & Micro Touch-a specially crafted fibre that is blissfully soft yet super absorbent and extremely durable.

Using the state-of-the-art machinery, our technicians have turned the finest long staple cotton into a luxurious fibre that we have woven into our most beautiful towel ever, the
