ABOUT CTS

An expertise company with tradition

CTS Citir Susam Ltd. was founded in 2010 by pioneers of food sector with over 30 years of experience.

One of the most important aim of CTS is to provide qualified service comprehension to all its partners especially wholesalers, bakeries and patisseries.

Advancing business network

CTS has already offered its innovative services to over 2500 unique customers and getting closer to its both national and international goals.

By 2019 the global distribution and online order system for e-trade has released due to completing the run-on substructure investments.

Invest in technology

CTS is offering a brand new viewpoint to solution partners in producing, sales and all service contents with the latest technology.

With completion of dealer and customer database systems, we exceeded a milestone in interactive Turkish food trade.

CTS aims to equip the producers with latest information and highest technological hardware beyond establishing a basic supply chain.

SESAME

Sesame for Bakery and Bagels

First class high quality sesame for bakery products and bagels from CTS.

Our raw materials comes from only the best and certificated fields both via domestic and international suppliers.

Packing : 10/25 kg Kraft bag

Sesame for Bagels

Sesame for Bakery

Sortex and Incombustible Sesame

TAHINI

Natural Tahini from Turkish Cuisine

Both CTS Natural Tahini and CTS Double Baked Tahini are natural and healthy options for your table.

CTS Tahini is made from pure high quality sesame using latest technologies and highest hygiene standards.

We are combining traditional producing methods with up-to-date process management systems to sustain our old and ancient taste of tahini.

Packing: 350/600/1000gr Glass Jar | 10/30kg Plastic Box

CTS Natural Tahini

CTS Double Baked Tahini

CTS Natural Tahini is produced to meet worldwide export requirements and delivered to you after pasteurizing.

CTS uses a special millstone for tahini production. Classic mills use flintstones and it gives a bitter taste to tahini. The special Foca Stone we use protects the original taste and doesn't burn the tahini.

The Foca Stone

HALVA

Tahini and halva both have many health benefits. In fact, their benefits come from the sesame seeds. Tahini is made from 100% ground sesame seeds, while 50% of the halva is made from tahini. Sesame oil is known as the "queen of oils".

Some of the health benefits are the following:

- Nourishes the body
- Promotes cell integrity and function
- Enhances vitamin E activity
- Keep your heart healthy
- Supports immune response
- Protects the skin
