

PROFILE

Yen Rides' commitment to client satisfaction and ethical business practices are central to the company's values. With 35 years of experience in producing indoor and outdoor rides, the company has become a leader in producing a wide variety of amusement rides suitable for adults and children. Yen Rides' factory has expanded to cover 26,000 square meters, and the company continuously strives to increase its capacity to meet the expectations of its clients. The company's focus on transparency and ethical values ensures that its clients can trust in the quality of its products and services. Yen Lunapark, an established leader in the amusement ride industry, offers a wide range of quality products for children and adults. With a diverse product range of over 30 different products, Yen Lunapark has produced numerous amusement parks domestically and exported to various international markets. The company's commitment to fast service, sustainable customer satisfaction, and innovation keeps them at the forefront of the industry. Despite their success, Yen Lunapark continues to seek new ways to improve their products and services to meet the evolving needs of their clients.
