# Beauté Attendue

Beauty...

The unique sense of charm that one seeks in nature, art, objects, people, and especially within oneself.

Beauty is the ultimate destination in every aspect.  
And it suits women the most. Every woman desires to see her own beauty when she looks at herself.  
But how does one attain beauty?

Beauty ripens with love, hope, goodness, and health,  
It is actually a genuine smile...

Now, please look into the mirror...

And smile in front of the beauty you see,

Let the lines form around your eyes, let the wrinkles appear on your forehead, let all the spots on your face become visible,

Just smile and become more beautiful...

We have developed the most natural products for you to freely smile,  
We have combined the essence of the Mediterranean's most special plants with the healthiest formulas of science for your skin.  
With our completely vegan products, which contain no animal ingredients,  
We wanted to eliminate any barriers between you and your beauty.

Just smile for your beauty.

You are the expected beauty!

# MAKE-UP REMOVER

'Hydrating & Gentle'

Our special makeup cleansing water deeply cleanses your skin and effectively dissolves your makeup, while moisturizing and refreshing your skin with its valuable ingredients. It purifies your skin with Aqua (water) and effortlessly removes makeup, providing a smooth cleansing experience. Propylene Glycol and Glycerin maintain your skin's moisture balance and keep it soft. Decyl Glucoside is a natural ingredient that effectively cleanses your makeup. Phenoxyethanol extends the product's shelf life and ensures freshness. Panthenol and Urea moisturize your skin and promote a healthy appearance, while Trehalose balances the moisture levels. Ethylhexylglycerin protects and conditions your skin.

Serine and Pentylene Glycol moisturize your skin and gently remove makeup. Benzotriazolyl Dodecyl P-cresol protects the skin from sun exposure, while Citric Acid balances the pH level of the product. Glyceryl Polyacrylate moisturizes the skin, and Sodium Hyaluronate provides intense hydration, giving your skin a plump look. Disodium Phosphate and Potassium Phosphate maintain the pH balance, and Algin and Pullulan create a gel-like texture. Our makeup cleansing water revitalizes your skin, effectively removes makeup, and moisturizes your skin. It leaves your skin feeling clean, refreshed, and vibrant, providing a refreshing user experience.

# DAY CREAM SPF 15

## 'Regenerating & Protective'

Day Cream SPF 15, specially formulated to protect your skin against the harmful effects of the sun and provide a youthful appearance. To shield your skin from UVA and UVB rays caused by sun exposure, it contains sun-protective compounds such as Ethylhexyl Methoxycinnamate, Diethylamino Hydroxybenzoyl Hexyl Benzoate, and Bis-ethylhexyloxyphenol Methoxyphenyl Triazine. By doing so, it prevents premature signs of aging and maintains the healthy and youthful look of your skin. Natural moisturizers like Glycerin and Urea hydrate your skin while preventing water loss, keeping your skin moisturized and vibrant. Sodium Hyaluronate penetrates the deep layers of your skin, providing intense moisture and plumping your skin.

For nourishment and protection of your skin, it contains natural oils like Shea Butter (Butyrospermum Parkii Butter) and Argania Spinosa Leaf Extract. These active ingredients nourish and soften your skin while maintaining its natural moisture balance. Tocopherol (Vitamin E) and Helianthus Annuus Seed Oil, known for their antioxidant properties, protect your skin against free radicals, revitalize it, and promote a youthful appearance. This lightweight and fast-absorbing formula instantly envelops your skin with a sensation of softness and smoothness. When incorporated into your morning routine, your skin remains fresh, moisturized, and protected. Our day cream revitalizes your skin with its effective active ingredients and acts as a shield against the harmful effects of the sun. Indulge yourself in your daily skincare ritual with this amazing cream and enjoy the benefits of healthy, radiant, and youthful-looking skin!

Our Moisturizing Cream is specially formulated to deeply moisturize and protect the skin. With Aqua (water) and Dicaprylyl Carbonate, it provides intense hydration to the skin. Glyceryl Stearate and Glycerin help maintain the skin's moisture balance and keep it hydrated. Ingredients like Olus Oil, Hexyldecyl Laurate, and Caprylic/capric Triglyceride provide a lightweight feel while smoothing and softening the skin. Hexyldecanol and Cetearyl Alcohol nourish and soften the skin, while Butyrospermum Parkii Butter (shea butter) moisturizes and maintains elasticity. Our Moisturizing Cream is enriched with Aloe Barbadensis Leaf Juice, which soothes and revitalizes the skin. Sodium Stearoyl Glutamate, Saccharide Isomerate, and Xanthan Gum regulate the texture of the cream and provide long-lasting moisture to the skin.

Phenoxyethanol and Ethylhexylglycerin preserve the shelf life of the cream, while Tetrasodium Edta, Sodium Citrate, and Citric Acid support the pH balance of the skin. Tocopherol (Vitamin E) nourishes and protects the skin.

Our Moisturizing Cream deeply hydrates, soothes, smoothes, and revitalizes the skin. With regular use, it helps maintain the skin's moisture balance and contributes to a healthier, softer, and radiant complexion.

# ANTI-SPOT CREAM

‘Spotless & Evenskin’

Anti-Spot Cream has a special formula that helps reduce the appearance of blemishes on the skin. It targets and nourishes the skin while providing moisturization with Aqua (water) and Paraffinum Liquidum. Ingredients like Glyceryl Stearate and Cetyl Alcohol soften and smoothen the skin. Ceteareth-12, Stearic Acid, and Palmitic Acid contribute to the reduction of blemishes, while Dimethicone protects the skin and provides a smooth appearance. Glycerin moisturizes and nourishes the skin.

The Anti-Spot Cream contains special ingredients such as Glycyrrhiza Glabra Root Extract and Alpha-Arbutin, which help even out the skin tone and illuminate blemishes. Niacinamide helps balance the skin tone, while PEG-40 Castor Oil and Ascorbic Acid brighten the skin and reduce the appearance of blemishes.

The product also includes preservatives like Ethylhexylglycerin and Phenoxyethanol to maintain its shelf life. Sodium Cetearyl Sulfate and Cetrimonium Chloride cleanse and purify the skin, while Xanthan Gum regulates the product’s consistency. The Anti-Spot Cream contains Pisum Sativum Extract, which supports skin brightening and reduction of blemishes. Citric Acid helps lighten the appearance of blemishes, and Sucrose Dilaurate moisturizes and softens the skin. Potassium Phosphate, BHA (Beta-Hydroxy Acid), and Polysorbate 20 support the skin’s renewal process and reduce the appearance of blemishes. P-Anisic Acid and Caprylyl Glycol help prevent blemish formation on the skin. Anti-Spot Cream helps reduce blemishes, even out the skin tone, and achieve a brighter complexion. With regular use, it diminishes the appearance of blemishes and leaves the skin looking more even-toned, healthy, and radiant.

# ANTI-AGING CREAM

'Youthful & Vitality'

Our Anti-Aging Cream features a special formulation that helps your skin appear youthful and healthy. Enriched with Shea Butter, Mineral Oil, and other natural ingredients, our cream deeply moisturizes and nourishes the skin.

Effective ingredients such as Argan Oil, Niacinamide, Horse Chestnut Seed Extract, and Hyaluronic Acid reduce wrinkles, enhance skin elasticity, and promote a smoother complexion. Vitamin E provides antioxidant properties, protecting the skin against the harmful effects of free radicals. Ingredients like Cyclopentasiloxane and Dimethicone soften and smooth the skin, while Adenosine Triphosphate, Retinyl Palmitate, and other nourishing substances support skin renewal.

Calcium Pantothenate, Inositol, Linoleic Acid, and Biotin found in our product improve and revitalize the skin's health.

Hydrolyzed Milk Protein in our formula helps restore the skin's natural elasticity, while preservatives like Potassium Sorbate and Sodium Benzoate maintain the freshness and quality of the product. Cetrimonium Chloride soothes and calms the skin, providing a relaxing experience for the user.

Regular use of our Anti-Aging Cream improves the skin's appearance, reduces fine lines, and tightens the skin. It is easy to use and quickly absorbed, without feeling heavy on the skin.

Our Anti-Aging Cream is an ideal choice for those seeking to combat signs of aging and achieve a youthful complexion. Experience the freshness and vitality it brings to your skin.

# WHITENING CREAM

'Brightening & Radiant'

Our high-performance Whitening Cream helps brighten your skin, even out skin tone, and reduce imperfections. Our formula is enriched with carefully selected and meticulously blended active ingredients. Our Aqua (water)-based formula effectively moisturizes your skin, while Petrolatum and Paraffinum Liquidum intensely nourish and protect the skin. Ingredients such as Stearic Acid, Cetyl Alcohol, and Glyceryl Stearate ensure the stability of our cream and provide easy application.

One of the key ingredients in our cream is Arbutin. Arbutin helps lighten the skin tone and reduce the appearance of dark spots, contributing to a brighter and more youthful complexion. Zinc Oxide and Titanium Dioxide create a protective barrier against harmful UV rays, safeguarding the skin from the adverse effects of sun-induced pigmentation. Phenoxyethanol and Ethylhexylglycerin present in our product are preservatives used to maintain the quality and shelf life of the cream, ensuring its effectiveness and freshness for an extended period. Our Whitening Cream diminishes color variations, lightens dark spots, and promotes a more radiant and even-looking skin tone with regular use. Suitable for all skin types, it can be used daily. Experience the rejuvenating and confident feeling by trying it now!

High Performance Protection SPF50+

Shimmering Bronzing Sun Oil

# SUN UMBRELLA SPF 50+ CREAM

## 'Sun Protection Skine Health And Youth'

Sun Umbrella SPF 50+ sunscreen lotion contains a carefully selected range of active ingredients to provide broad-spectrum sun protection. These ingredients effectively shield the skin from harmful UVA and UVB rays while supporting the skin barrier. The lotion helps prevent sunburn, early signs of aging, and other sun-induced skin damage. The formula includes active compounds such as Methylene Bis-Benzotriazolyl Tetramethylbutylpheno, Bis-Ethylhexyloxyphenol Methoxyphenyl Triazine, Ethylhexyl Methoxycinnamate and Ethylhexyl Triazone, which offer broad-spectrum UV protection, guarding the skin against UVA and UVB radiation.

Sun Umbrella SPF 50+ lotion also contains moisturizing and nourishing ingredients like Caprylic/Capric Triglyceride, Glycerin and Ethylhexylglycerin. These components help hydrate, soften, and nourish the skin while maintaining its moisture balance. Preservatives such as Phenoxyethanol, Caprylyl Glycol and Phenylpropanol extend the product's shelf life and prevent the growth of microorganisms, ensuring freshness and efficacy.

Sun Umbrella SPF 50+ sunscreen lotion has a lightweight and easily absorbed texture. It is user-friendly and quickly absorbed when applied to the skin. It does not leave a greasy residue and can be comfortably used under makeup. This product is ideal for anyone in need of daily sun protection. It safeguards the skin from the harmful effects of the sun while providing hydration, nourishment, and promoting a healthy-looking complexion.
