COMPANY INFORMATION

OM Global Trade is an **international trade company** based in Adana, Turkey. Our company engages **international market demands** with **high-quality** Turkish products in the **metal industry**. Our mission is to connect global companies with experienced Turkish manufacturers and strengthen the position of Turkish companies in the **international market**.

SERVICES

OM Global Trade provides access to a large range of **metal goods manufactured** in Turkey. We have a **large portfolio** of **metal manufacturers**. We offer **professional counselling in the field, supplier selection, contract negotiation, favorable shipping terms, customs clearance, warehousing, preparation and issuance of all necessary documents under Turkish and foreign trade regulations**. We assist buyers to choose the best suppliers and protect them from having bad experiences of choosing random suppliers.

PRODUCTS

- Galvanized Wire
- Concertina Razor Wire
- Mobile Fence
- Welded Mesh
- Metal Construction
- Connection Elements
- Modular Water Tanks
- Hydrophore Pressure Tanks

Material: Low-carbon steel wire
Coating: Hot-dip galvanized (Zn)
Wire Diameter: 1.50 - 5.00 mm
Volume of Coating: 40 - 300 g/m²
Tensile Strength: 350 - 900 N/mm²

Galvanized Wire

Galvanized steel wire is available in a wide range of thickness and lengths, and is used extensively in the construction industry and in the industrial, do-it-yourself, and agricultural sectors. **Depending on your needs**, we provide quality galvanized wire in **different wire thickness** and **zinc coating**. We also provide galvanized wire in **colored PVC coating** of your choice.

Concertina Razor Wire

Concertina is a type of **razor wire** which is one of the most common materials used for **physical security**. Our suppliers provide concertina wire in different types: BTO-12, BTO-22, BTO-28, CBT-60, CBT-65, and diameters.

Type: BTO-12, BTO-22, BTO-28, CBT-60,
CBT-65

Sheet Thickness: 0.50 mm

Core Wire Diameter: 2.50 mm

Coating: Hot-dip galvanized (Zn)

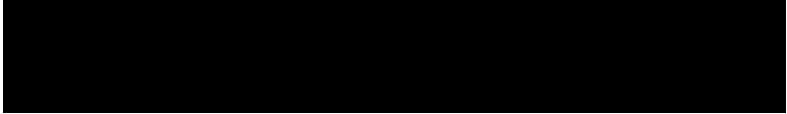

Volume of Coating: 60 - 275 gr/m²

Mobil Fence

For **crowd management** and the **security of construction areas**, we offer **easy-to-move temporary fence panels** that are **easy to set up**. Upon your preference, we provide **mobile fences** in **different sizes**, and **colors**.

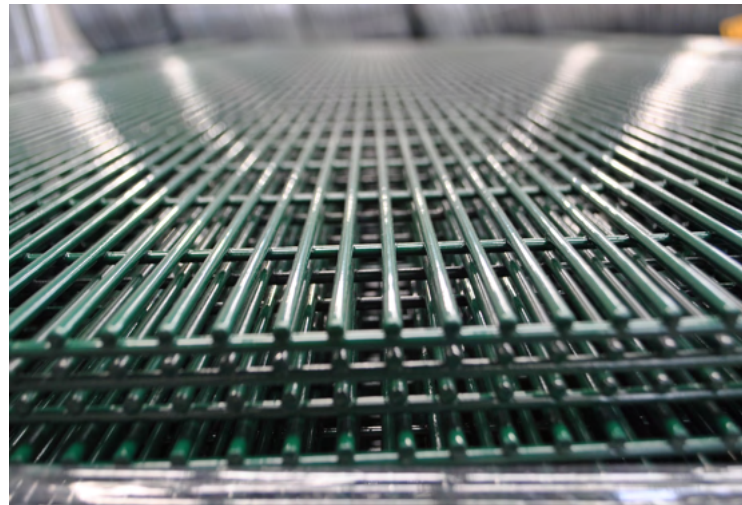

Welded Mesh

We have suppliers who are experts in manufacturing **welded mesh**, either **3D fence** or **high security mesh**. We provide the products in **different sizes** and **colors**.

Standard Welded Wire Mesh

Wire Diameter: 4 - 6 mm

Mesh Size: 50 x 150 mm

Height: 500 - 3000 mm

Width: 2500 mm

Coating: Hot-dip galvanized (Zn) or RAL colors

High Security Mesh

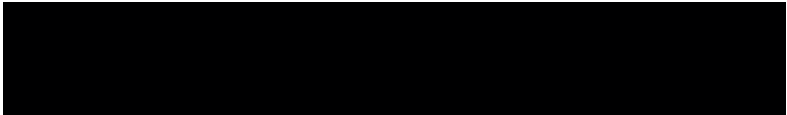

Wire Diameter: 4 mm

Mesh Size: 12.7 x 76.2 mm

Height: 500 - 3000 mm

Width: 2500 mm

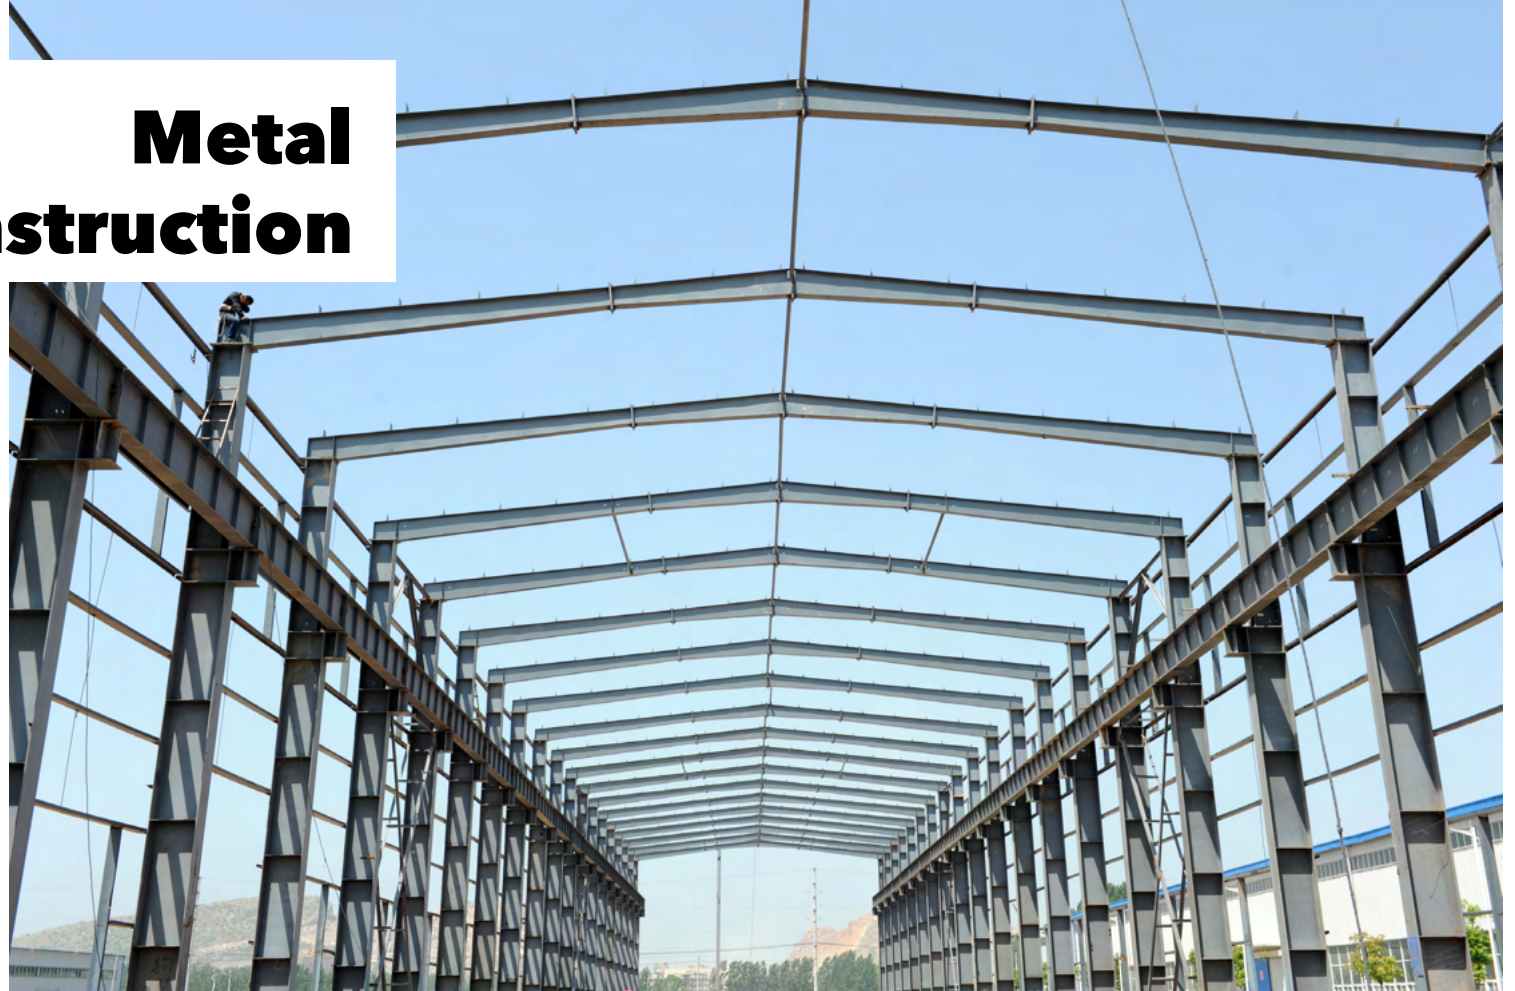

Coating: Hot-dip galvanized (Zn) or RAL colors

Metal Construction

With **outstanding analysis** and **engineering skills**, our suppliers would provide **custom made metal construction materials** in line with your project requirements.

Connection Elements

We provide **galvanized steel connection elements** of your needs: **bolt, nut and screw sets, metal clamps** in **specific shapes** and **measurements**, steel beam to beam connections in **specific shapes** and **measurements**.

Modular Water Tanks

Modular storage tank is a special type of product for **liquid storage**. Our suppliers manufacture modular water tanks in **different sizes** depending on your needs.

Hydrophore Pressure Tanks

Pressurized expansion tanks are used in **heating, cooling, air conditioning, pressurization** and **water supply systems**. We offer products in line with your area of use and **demands of sizes**.
