

Marble - Hand made

SHANS is being created with the passion of quality to provide the best. Our purpose; in marble is to introduce and show the pure beauty of fantastic marble both in pure and processed ways. Marble production are all hand made and all are unique pieces.

Marbles are from Turkey, they all reflect the marvelous nature.

The BOAT

Design by Oksan Ozdeker - can be coloured in flag colors

The CHAIN

Design by Oksan Ozdeker

Knitting - Hand Made and Leather Placemats and Table design

SHANS knitted placemats are newly designed by Oksan Ozdeker for 2022 winter and 2023 summer as well as our marin group. We used knitting with leather in some of our products. Beside we have also mixed embroidery with leather. We will be producing different colours of vegan leather with embroidery in marine and new year concepts . Each of them is unique.

Knitting - Hand Made

SHANS knitted cushions and bags, clutches are hand made products by women. Each particular product is made from natural fibers and hand craft manufacturing which means each of them is unique. Different designs are processed for summer. Custom patterns and colors can be produced on request.

Crochet Lace - Hand Made

These extraordinary handcrafted needle laces are carefully crafted by women with very special care. It is a very old technique that has been used by Turkish women for years. The laces are colorful and made especially for flowers reflecting the beauty of nature, flowers, colors. These needle laces are also used in placemats, earrings, hair accessories, key chains.

Emroidered clutches

Embroidered clutches

SHANS embroidered summer clutches will please you with their beautiful colors and will cheer you up.

Different colors and various multicolored embroideries can be produced on request if required. The dimensions are 21 x 32, so it has plenty of storage space. The lining of the pouches is also colored online as a combination of embroidery.
