From Nature to Your Nature

Our symbol 'Cybele', the symbol of the God of Gods (magna Mater) is our goddess, the moon. Our name 'Arinna' is our Sun, our Sun Goddess... One is the representation of the night and the other is the day, together with their stories, we present them to your liking.

In our kimono:

The Cybele, inspired by the Artemis of Ephesus, is one of the symbols of Babylon's magnificent gate, our lion, the protector of the city. Our anatolia that inspired this unique work where our source and strength are together... Our history... Our past.
