# OUT-OF-HOME CONSUMPTION

## Series

WILL BE  
**INDISPENSABLE  
FOR CHEFS!**

Safya Cuisine Chef has been specifically developed for the Out-of-Home Consumption and Professional Kitchens. **4-Piece Pet Product is a First in Professional Kitchens.**

## Advantages

- 1** A formula specially developed for professional kitchens, prevents foaming or splashing during frying, which are the main cause of oil loss.
- 2** It is very resistant to high temperatures. It does not fume or burn.
- 3** With 6-stage flawless production, the products are light and odorless.
- 4** Since there are no barcodes on the labels, the bottles cannot be offered as one bottle to the markets.
- 5** The product, which is offered for sale as a 4-pet, provides the advantage of fresh use.
- 6** With the transparent packaging, the amount of use can be precisely adjusted.
- 7** In the use of pet packaging, do not encountered problems such as dust, moisture, rust and mold as in tin packaging.
- 8** Easy handle due to special box design.
