# WE ARE BIG AS OUR IDEALS...

Raisins and Sultanas are among the most refined of Dry Fruits. They are delicacies that need to be processed with the greatest possible care and responsibility.

Mez Ticaret which was founded at 2016 combined its broad vision with understanding focused on quality and put its signature under significant enterprises at a very short time.

We, at Mez Ticaret have a three generation history in Sultanas and Raisins since 1971 that gives us the ability to provide the best dried fruits throughout the World.

# WE ARE AMONG ONES WHO BRILLIANTLY STAND OUT...

Recently renovated 5.000 m2 factory area accredited with BRC (British Retail Consortium Protocol) and IFS (International Food Safety Standarts) where HACCCP Systems are applied and thoroughly inspected for strict rules adoption can actually be in the position to guarantee the highest safety and quality standarts. Mez Ticaret that produced with GMP (Good Manufacturing Practices) methods and in strict compliance with Food Safety and EU Regulations. Mez Ticaret who brilliantly stands out among a few enterprices in its field owing to its production premises, technology and quality is now setting our for huge targets based on the confidence and trust of the companies to which it renders services as well as suppliers.
