# Hakkımızda

İstanbul'da 1963 yılında kurulan MİNİMAK ASANSÖRLERİ SAN. TİC. A.Ş 57 yılı aşkın tecrübesiyle, Türkiye'nin kaliteli ve çağdaş projelerinde faaliyet gösteren, sektöründe lider firmalardan biridir.

## HİZMETLER

Minimak Asansörleri olarak 200'ü aşkın personeliyle alanında önde gelen, güvenilir ve kalıcı ürünlerimizi kendi tesislerimizde dünya standartlarında imal edip, paket halinde ve ya taahhütlü olarak teslim etmekteyiz.

## KALİTE SİSTEMİ

Çağımızda çok hızlı bir şekilde yaşanan bilimsel ve teknolojik faaliyetlerin, dünyamızı küreselleştirip , rekabeti giderek yoğunlaştırdığı bir ortamda , mevcut tesislerimizde kaliteli hizmet üretimini hem kısa sürede hem de uygun fiyatlı olarak göndermek büyük önem kazanmıştır.

Belirlenen bu hedeflere en sağlıklı şekilde ulaşmış olduğumuzu , almış olduğumuz ISO.9001:2015 kalite yönetim sistemi ve 2014/33/AB Modül H ( CE ) sertifikalarımız ile firmamız , kalite ve güvenlik sistemlerini tescil ettirmiştir.

## SONUÇ

Asansör firması seçerken tercihinizi MİNİMAK ASANSÖRLERİ olarak yaptığınızda, yıllarca güvenle kullanabileceğiniz kaliteli bir asansörü uygun fiyatla satın alarak, isabetli bir karar vermiş olacaksınız.

## SAYGILARIMIZLA...

# About us

Minimak Elevators & Escalators, was establish in Istanbul and have been had one of the biggest share in Turkey on elevator and escalators market since 1963. It is the choice of leading companies operating in quality and contemporary projects all over the world.

We, as Minimak Elevators & Escalators, manufacture our leading, reliable and permanent products with more than 200 personnel in our own facilities ( more than 7500 square meters) at world standards, and deliver them as packages or contracted.

In the changing world where the scientific and technological activities experienced in our era, globalizing our world and intensifying the competition gradually, it has gained great importance to send quality service production in our existing facilities both in a short time and in cheapest cost way. With our ISO: 9001: 2015 quality management system and 2014/33 / EU Module H (CE) certificates, we have achieved the most successful targets and our company has registered its quality and safety systems. All our products comply with EN81: 20 regulations and comply with all updated standards. If you choose your elevator & escalators partner as MINIMAK brand, you will be able to make a right decision by purchasing a quality elevator that you can use for years at a reasonable price.

# Насчет нас

Minimak Elevators & Escalators, основанная в Стамбуле, с 1963 года является одной из крупнейших компаний в Турции на рынке лифтов и эскалаторов. Это выбор ведущих компаний, работающих в области качества и современных проектов по всему миру.

Мы, как Minimak Elevators & Escalators, производим наши ведущие, надежные и постоянные продукты с более чем 200 сотрудниками на наших собственных объектах (более 7500 квадратных метров) в соответствии с мировыми стандартами и поставляем их в виде пакетов или по контракту.

В меняющемся мире, где научная и технологическая деятельность, переживаемая в нашу эпоху, глобализация нашего мира и постепенное усиление конкуренции, приобрела большое значение для предоставления качественного сервисного производства на наших существующих предприятиях как в короткие сроки, так и с наименьшими затратами. наша система управления качеством ISO: 9001: 2015 и сертификаты модуля H (CE) 2014/33 / EU, мы достигли самых успешных целей, и наша компания зарегистрировала свои системы качества и безопасности. Все наши продукты соответствуют нормативам EN81: 20 и соответствуют всем обновленным стандартам. Если вы выберете своего партнера по лифтам и эскалаторам в качестве бренда MINIMAK, вы сможете принять правильное решение, купив качественный лифт, который можно использовать годами по разумная цена.
