

# Bazirgan Tarım: Your Gateway to Authentic Mardin Grains and Bulgur

Established in 2006 in the heart of Mardin, Bazirgan Tarım is a leading agricultural firm aiming to promote and establish the quality of Mardin grains and bulgur in the global market.

# Commitment to Quality

## Sustainability

Our company prioritizes sustainability, quality, and excellence in every step of the process, from cultivation to packaging.

## Local Farmers

We work hand in hand with local farmers who share our vision and respect for the environment, ensuring that only the finest grains and bulgur reach your plate.

## State-of-the-Art Facilities

Our state-of-the-art facilities ensure that all our products are processed and packaged with the highest standards of hygiene and quality control.

# Rich Mardin Heritage

## 1 Long History of Agriculture

Mardin, located in the southeastern part of Turkey, has a long history of agriculture and produces some of the most sought-after grains in the country.

## 2 Cultural Heritage

At Bazirgan Tarım, we understand the importance of preserving the cultural heritage and culinary traditions of our region.

## 3 Preserving Culinary Traditions

Through our commitment to quality, we strive to introduce Mardin grains and bulgur to every corner of the world, allowing people to enjoy the unique and delicious taste that this land offers.

# Exceptional Flavor and Nutritional Value

1

## Expert Selection

Our team of experts carefully selects and sources these grains to bring you the genuine taste of Mardin, known for its exceptional flavor and nutritional value.

# Global Reach

## Global Market

Through our commitment to quality, we strive to introduce Mardin grains and bulgur to every corner of the world, allowing people to enjoy the unique and delicious taste that this land offers.

## Trusted Partner

Whether you are a retailer, distributor, or an individual who appreciates fine grains, Bazırgan Tarım is your trusted partner.

# Wide Range of Products

## Various Types of Bulgur

We offer a wide range of products, including various types of bulgur, wheat, and other grains.
