Sara Food Group s.a.l.

SARA FOOD GROUP SAL Works in realm of time. Based on a principle of customized service, tailored purely by the client's demand, our customers save time and money by relying on the expertise of "Sara Food" in the ever-changing world of trade. Founded in 1986, Sara Food focused as it still does, on opening doors and opportunities to different destinations that appear challenging to most other organizations (west Africa, North Africa, Middle East, Europe, Russia, Caucasus & Asia). Our Twenty-nine years experience in various segments within the food industry ranging from Frozen Meat (Beef, Buffalo, Poultry & Fish), Canned Food products (Canned Meat & Canned Vegetables), full range of Baby Foods, Beverages, Chocolate spread & Dairy products.. This has strengthened the company's overall performance, and international existence, thus opening opportunities for the exploration of new markets. With this concrete business approach and level of expertise, it is not surprising that various trading organizations depend on "Sara Food" to supply and manage core material of food & beverages. With its main offices in France, Lebanon, Turkey, Uae, Brazil ,India, Greece, Liberia..."Sara Food" finds itself among an elite circle of the international business, offering to its clients around the globe the best service ever. The group participated always in many international trade fairs such as : (Sial-Paris, Sial –ME Uae , Gulf foods Dubai, Anuga Germany, ISM Germany, Worldfood Azerbaijan, FIA Algeria, FEM Mauritius Island, Gida Turkey, Agro Libya, and many others). This working network has proven advantages in increasing the brand awareness and in solving issues relating to sales. This forms customized working environment of connections and personal contacts supporting its activities worldwide. Throughout its history, "Sara Food" has obtained a specialized unique reputation as a customized supplier of Food & Beverages. "Sara Food" offers professionalism and distinctive services, the company is ready to take a step into the future, by taking its creative key methods to other companies throughout the World.
