aroma[®]

Aroma was established in Bursa in 1968. Aroma offers a wide range of quality and delicious products from 100% fruit juice and fruit nectar to fruit drinks, lemonade and carbonated drinks.

With its deep-rooted experience and expertise, it adds value to the resources offered by nature and turns them into delicious, high quality and healthy products that can be consumed safely.

Aroma has become the brand that has grown the market as the leading company of the sector, it has broken the grounds and innovations such as the first 100% fruit juices flavored with apples, the first fruit juice in glass bottles and fruit nectar with 9 vitamins containing 10 different fruits. Aroma produces at world standards with its high production capacity, modern technology and strong R&D infrastructure. It has a structure that adopts the understanding of production and responsible consumption, with its ability to respond to consumers' demands with innovative products and to get a position by predicting the balances and changes in world trade in a timely and accurate manner. Today, it meets the demands of the Turkish and world markets with semi-finished products such as concentrate, puree, puree concentrate.
