

# Tailor-made metal fabrication services

From Concept to Completion with OFM Quality

# Our Expertise in Metal Fabrication

OFM Metal Works specializes in **tailor-made custom steel and aluminum fabrication services**, ensuring high quality, on-time delivery, and competitive pricing tailored to customer specifications.

## FIELD OF ACTIVITIES

# ABOUT

- Decades of industry expertise **since 1965**
- Global expertise with deliveries to over **30 countries**
- **High-Standard Certifications** for Quality and Safety Assurance
  - ISO 9001:2015
  - ISO 14001:2015
  - OHSAS 18001:2007
  - EN1090 EXC3
  - ISO 3834-2
- Centrally located at the intersection of Asia, Europe, and Africa
- Two manufacturing plants with a total of **7,000 m<sup>2</sup> production area**
- Annual production capacity of **3,000 tons**

## High-Standard Certifications

Quality and Safety Assurance

# CAPABILITIES

- CNC Laser Cutting
- CNC Bending
- Welding of Steel Alloys, Stainless Steel and Aluminum Alloys (5000 and 6000 Series)
  - Gas Metal Welding (GMAW)
  - Electric Arc Welding (SMAW)
  - Sub-merged Arc Welding (SAW)
  - Gas Tungsten Arc Welding (GTAW/TIG)
- Stress Relieving Heat Treatment
- CNC Machining; Milling, Boring, Horizontal and Vertical Turning
- Sand blasting
- Hot-dip galvanizing,
- Electro-galvanizing,
- Powder coating
- Epoxy Painting

# WE OFFER

## High Quality

Crafted with precision, our metal fabrication services meet the highest quality standards. Advanced technology and rigorous controls ensure every product meets your exact specifications, delivering exceptional durability and performance.

## On-Time Delivery

Ensuring timely delivery is key to our commitment. Our engineering team conducts detailed design assessments to streamline production and ensure your products are delivered on time.

## On-Time Delivery

We understand that in today's fast-paced environment, timely communication is essential. That's why we promise to respond to your initial contact within 12 hours. Our commitment to swift communication sets us apart, ensuring that your needs and inquiries are addressed efficiently and without delay.

## Competitive Prices

We offer globally competitive pricing for metal fabrication services. Our strategic location and cost-effective solutions are designed to enhance your operational efficiency, reduce costs, and ultimately maximize your business profitability.

## Valuable Ideas

We believe in treating our clients as true partners, building long-term relationships based on trust and mutual respect. With over 55 years of experience, we've consistently upheld the highest standards. Our unwavering commitment to professionalism has made us a reliable strategic partner for our clients since the very beginning.

## On-Time Delivery

Whether you require high-mix, low-volume production or single-part manufacturing, OFM is dedicated to meeting your needs. We are committed to delivering customized metal fabrication solutions that precisely match the unique requirements of each client.
