

## **Company Presentation: Pollex Consultancy International Trade**

Polex Consultancy was founded in Ankara in 2017 with the vision of uniting our extensive experience in International Trade under a single banner. Our headquarters remain in Ankara, from where our dedicated team actively engages with over 35 countries worldwide, facilitating seamless international trade and collaboration.

### **Our Mission**

At Polex, our mission is to bridge manufacturers and customers globally through our robust communication channels and industry expertise. We strive to address and meet the diverse needs of our clients by providing tailored solutions that enhance trade efficiency and foster strong, lasting relationships.

### **Our Expertise**

- **Services:** We have played a pivotal role in investment projects, our consultancy services include IT, health and education consultancy either project basis or all in included solutions.
- **Supplying Goods:** We provide comprehensive solutions for construction projects, we supply essential construction materials and equipment for infrastructure development and building projects, design products and furniture. Our team supports interior design projects by supplying high-quality materials and furnishings that meet the aesthetic and functional needs of our clients.
- **Turnkey Projects:** We are fully and partially involved in managing turnkey projects across a diverse range of sectors, including schools, hotels, laboratories, and hospitals. Our comprehensive approach ensures that we handle every aspect of the project from initial planning to final execution. For each project, whether it's a new construction or a renovation, we oversee all stages - design, procurement, construction, and commissioning - to deliver tailored solutions that meet the specific needs and standards of our clients.

### **Global Reach and Local Impact**

Our projects are not limited to one sector or region. We engage with a diverse range of industries and countries, ensuring that we can meet the unique requirements of each client and project. Our global reach allows us to bring international standards and innovations to local markets, enhancing the quality and efficiency of our services.

## **Commitment to Excellence**

Our commitment to excellence drives us to continuously improve and adapt to the ever-evolving global market. We prioritize understanding our clients' specific needs and delivering solutions that exceed their expectations. Our team's dedication to quality, reliability, and innovation ensures that we provide exceptional value to both our customers and suppliers.
