ABOUT US

Dear Valuable Business Partners

Baraka Export is a professional solution partner in international trade of experience representing and supporting the interests of everyone involved in import, export and international trade. We offer unique range of business membership benefits.

“Baraka Export is your business home in Turkey”

Baraka operates in many different areas, such as garments, home textile, foods, non foods (cleaning items), households, cosmetics, hygiene materials, etc.

Our office is in Istanbul and we deal with manufacturing facilities located in different parts of the world to strengthen our product portfolio.

CHAIRMAN RESUME

Mahmoud Sevinchan

After completing his high school education in Adıyaman in 1991, he graduated from El Azhar University in Egypt between 1991-1995 for his education.

He completed his master's degree in Ankara University in 1996-1997.

He received trade and marketing training for his area of expertise.

He worked as Export Manager in different companies between 2000 - 2012 .

He opened stores abroad between 2013-2016 and continued his business.

Since 2016, he established BARAKA EXPORT & Import company with his expert team.

Baraka export and import works with hypermarket groups selling in all categories from A to Z in many different countries.

Our business philosophy is ; honesty , winning together , sharing experience , growing together and being happy together . It is essential to do for our business partners what we want for ourselves .

He speaks , English, Arabic , French , Persian , Turkish . Has five kids .
