

An aerial, top-down view of a dense urban landscape, likely a city center. The buildings are tightly packed, showing various architectural styles and colors. In the center of the image, there is a clear, light blue sky area where a small airplane is flying. The overall image has a slightly faded, artistic quality.

OMEGA GLOBAL LOGISTICS

YOUR LOGISTIC PARTNER WORLDWIDE

COMPANY PROFILE

ABOUT US

Omega Global Logistics has been offering International and domestic transportation services within the scope of the logistics concept since 2004. Nowadays, logistics is a key of success in business, especially in highly competitive markets, That's why we have become a precious partner to our customers.

Our service is not limited on transportation, We are offering a range of tailored, innovative and value added services from customs brokerage and complex freight forwarding to warehousing, full pick & pack, and domestic delivery.

Each customer has a specific request, our mission is to assist at every stage of the process. We are a dedicated Freight Forwarder and our capacity to adapt allows us to offer a tailored service on every shipment.
