About Us

Kare tekstil is one of the Turkish manufacturing company that produce socks, tights, pantyhose, legging, hosiery products, pyjamas, underwear, knitwear and blanket for children from 0 to 14 years. The company is present on the market since 2001 and is a leading manufacturer in its field. The products are manufactured in high-quality equipment in accordance to quality certificates and goes by four names ARTI, KATAMINO, under property of KARE TEKSTIL SANAYI VE DIS TICARET LIMITED SIRKETI that includes factories, workshops, warehouse, showroom, several stores in Turkey. Our brand that parents and children choose safely started its activity in 2001. Our socks and underwear we produce in our machines compatible with the latest technology. We have three wholesale stores in Istanbul, our sales office in Ukraine. Many representatives in Turkey and abroad. And our always updated website for our valued customers. We have more than 250 High technology Sock knitting machine and other sewing machine. Production, Boarding, labeling, Packing and other all process is doing inside of factory. We have more than 320 employees. The company's partners are representatives of Turkey, Russia, Ukraine, European countries, Azerbaijan, Central Asia, Iran, Iraq and African countries. Every year our company, which is trying to respond to increasing demands with recent investments increased our machine count. We also add value to our country's economy. Our products do not include carcinogen substance certainly. Our cloths are producing certificated natural cotton yarn using without chemical substance. Our products are made pre-wash shrinkage - SANFOR tested and Metal detector. We love children.

We always do the best for them.

We can also produce according to the special requests of our customers. If our customer wants to produce and ship with his own patterns, drawings and his own private label, we can produce and ship products according to these requests.

Our Mission

Our company, which has the philosophy that "children deserve the best" brings together the customers with unique quality in original designs in kids & baby socks, pyjamas, knitwear and underwear.

"Even to such seemingly secondary elements of children's wardrobe as tights, caring mothers make several demands at once: that the material is durable, but at the same time soft and elastic; the drawings are beautiful and diverse, and the products themselves are comfortable for children.

All these parameters correspond to the products of the brands Arti and Katamino, production Turkey. In the assortment you will find a variety of tights, leggings and socks.

Beautiful elastic products will be an important part of the elegant or casual image of a young lady."

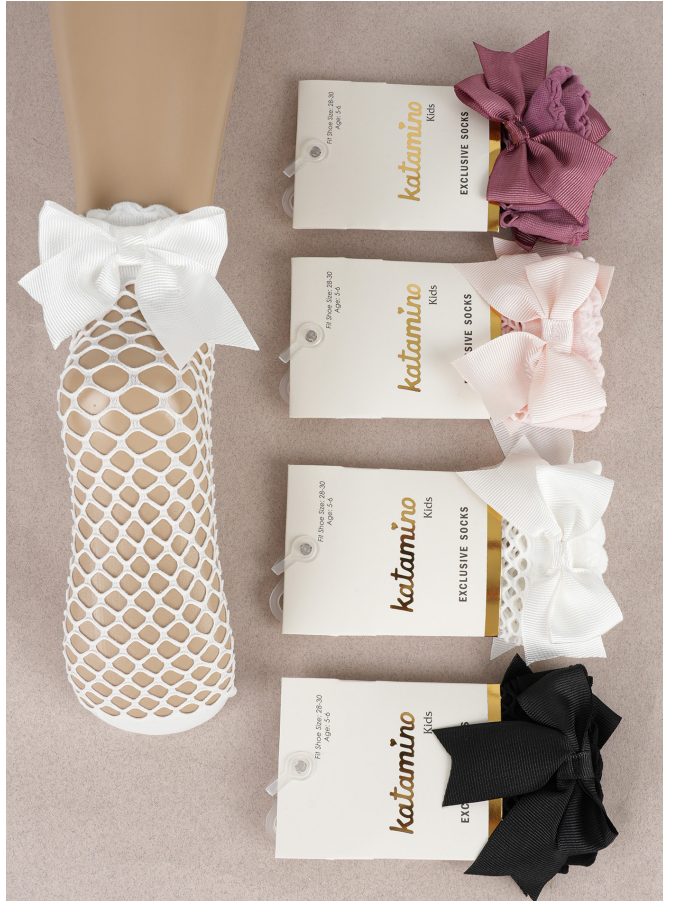

Our Vision & Values

We are willing to first coming to mind at domestic and abroad with quality and reliability in kids & baby socks and underwear.

- High quality
- Prompt and accurate service
- Reliability
- Advanced Research and Development standards
- Innovation
- High responsibility
- Respect to each and every employee individually
- Equality Security
- Freedom to suggestions and complaints
