STABLE & RELIABLE QUALITY

EASY HANDLING

LONG SHELF LIFE

SHORT DEFROSTING TIME

THE MOST DELICIOUS FORM OF CHEESE

Aegean Region has hosted the most advanced civilizations for centuries.

It has also been the source of healthy life with its unique climate, fertile soil, and countless agricultural products are grown on it. Cheese, the most enjoyable form of milk and milk, is as old as humanity and as diverse as human beings. The most delicious cheese is made in the Aegean and Mediterranean basins.

RELLA GIDA has been striving to produce the best cheese since 2007 with sixty years of experience in various fields.

PREMIUM IQF MOZZARELLA

FIXED FOOD COST

NO FOOD WASTE

EFFICIENT FOOD MANAGEMENT

INDIVIDUAL QUICK FROZEN

With IQF Technology,
we freeze taste,
and freshness, that is time.

**Choose frozen food for
flavor and health.**

Frozen foods, whose reliability has been approved by worldwide standards, are the friend of your table and your health.

With IQF technology; We freeze Our products at -40°C with the freshness of the first day. Thanks to IQF technology, we can transport our cheeses to distant locations and store them for a long time without the need for preservatives and GMO applications.
