

Company Profile – CafeMutfak & Tek Ben Medikal

CafeMutfak & Tek Ben Medikal are two sister brands with over 15 years of experience in the fields of industrial kitchen, laundry, cold room systems, and stainless-steel production.

Headquartered in Gaziantep, Türkiye, the company operates across Türkiye, Africa, Europe, and the Middle East, offering reliable, innovative, and long-lasting solutions.

CafeMutfak – Expertise in Professional Kitchen and Cold Room Systems

CafeMutfak provides turnkey projects for industrial kitchens, laundries, and cold room systems for hotels, restaurants, hospitals, factories, schools, cafés, and public institutions. All stages – from design and planning to installation and after-sales service – are managed with professionalism and precision.

Authorized Distributor of: Atalay, Hobart, Eka, Santos, Cimbali, Wega, Empero, Inoksan, Frenox, Miele, Vital, Ipso.

Service Areas:

- Industrial kitchen design and consultancy
- Cooking, refrigeration, preparation, and serving equipment
- Cold room panel manufacturing and industrial cooling systems
- Industrial dishwashing and hygiene solutions
- Professional laundry systems (Miele, Vital, Ipso)
- Espresso and coffee machines (Cimbali, Wega, Santos)
- Projects for hotels, restaurants, catering, dormitories, and hospitals
- After-sales technical service and spare parts support

Tek Ben Medikal – Reliability and Durability in Stainless Steel Manufacturing

Tek Ben Medikal specializes in manufacturing stainless-steel equipment for hospitals, professional kitchens, sinks, and cold room interior systems. All products are made from high-quality stainless steel, designed for hygiene, strength, and long-lasting performance.

Product Range:

- Operating room equipment and stainless furniture
- Stainless cabinets, tables, and shelving systems
- Professional kitchen worktables, sinks, and preparation units
- Sterile material trolleys and transport systems
- Cold room internal stainless structures
- Laboratory benches and storage systems

Our Mission

To accurately analyze our customers' needs and deliver innovative solutions based on quality, trust, and sustainability.

Our Vision

To become a trusted and recognized brand in industrial kitchen, cold room, laundry, and stainless-steel manufacturing across Türkiye, Africa, Europe, and the Middle East.

Our Core Values

- Honesty and mutual trust
- Quality and sustainability
- Continuous customer satisfaction
- Innovation and environmental responsibility
- International cooperation and partnership

Together, We Are Stronger

At CafeMutfak and Tek Ben Medikal, we combine our domestic production strength with international brand collaborations to build long-term, trust-based business partnerships. Every project we complete is a shared success story.
