## 55 Years And Growing

In the capital of empires, the city that dominated continents and The cradle of civilisations, in the meeting point of cultures and civilisations, Asortie was founded in 1965, in Istanbul, as hand made furniture supplier, today Asortie is on of Turkey's biggest furniture company in classic style and avangarde, as well.

We offer you the widest selection of high quality solid furniture with a remarkable design turns your likes and dislikes into a space You will love to come home to, Asortie specialization in beautiful, practical, magnificent, testful, formal, whimsical, comfortable, impressive casual and any other host of adjectives that define your life stile and home.

Our professional consultants will make it both professional and easy to design a style this uniquely for you, from the door to Curtains and everything in between to make the home of your dreams.

## Our Designs

If you're looking for exclusive,customized, unique, livable designeand comfortable living room "furniture&decor", bedrooms, kitchens,bathrooms, or any other unique designs so you are in the rightplace, we are going to achieve your dream and draw it step by step.

Factories around the world produced millions of copies distributed to a large part community but because Asortie believe that "behavior is a mirror in which every one display his own image" so we are original, and we are quite professionals not just in doing the job but HOW we do the job as well. All patterns and designs carved were shaped by the hands of masters, to create a revilitation in furniture and decoration for your home, working areas, hotels, hospitals, restaurants, villas.

## We Believe That

- Only by satisfying our customers can we consider our business a success.
- Satisfied customers are the future of our business.
- The honest feedback of our customers is vital to the development and improvement of our business.

## We Will

- Ensure making a request is as easy as possible.
- Ensure customer satisfaction is a 'core value' demonstrated by all employees.
- Ensure we listen to our customer and respond their need.
- Encourage our customers to give feedback and criticism without defensive responses.
- Ensure that we deal with it promptly, politely and requirements and when appropriate confidential.
- Focus on providing the solutions.
- Treat complaints as opportunities to improve and retrieve customer satisfaction.
- After sale: we are going to provide unlimited and unconditional support.

Be sure when you pay us a visit that you will be warmly welcomed and treated special by Asortie team.

## Projects Different With Us

What ever our customers requires at any stage of furnishing and decors Asortie can bring them the best solution; Just leave it to us and enjoy your holiday at a 7 stars hotel while Asortie team preparing your dream palace with Asortie life style signature Individual or combined, local or global projects, our 55 years experience and proffesionals team can meet our customers demands, anytime, anywhere.
