

An aerial photograph of a large industrial facility. The main building has a vast roof covered with rows of solar panels. To the left, there are green-roofed sections. In the foreground, a multi-story office building with a central dome and modern architectural features is visible. The surrounding area includes parking lots, other industrial structures, and some greenery.

# AKINAL AYAKKABICILIK

---

*STEPS FROM TRADITION TO THE FUTURE*

# Foundation and Heritage

Akinal footwear represents a contemporary continuation of a longstanding family legacy. With origins tracing back to a leather trade heritage starting in 1806, the company was formally founded in 1978 by three brothers.

---

Preserving and growing the family legacy, AKINAL has become one of the leading companies in the Turkish footwear sector since many years.

# Our mission & vision

Our aim is to produce high-quality, comfortable and affordable footwear products that reach all segments of society.

---

We are targeting to achieve the pinnacle of brand recognition in TÜRKİYE and to rank among the top 5 companies in our sector across Europe and Eurasia by 2030.

# Our strenghts

With a **legacy of quality and craftsmanship** spanning over 50 years, our company is committed to excellence. Our operations are supported by **state-of-the-art production facilities**, which include a modern, recently updated 30,000 m<sup>2</sup> plant. We are also deeply dedicated to **sustainability**, powering our work with solar energy and utilizing electric vehicles.

---

Our commitment to high standards is reflected in our **international recognition and certifications**, including ISO 9001, ISO 10002, ISO 14001, and BSCI certifications. Thanks to an **extensive and diverse product range**, we are able to cater to all market segments.

# What sets us apart

Since its establishment, AKINAL has invested nearly 15 million USD in molds and offers a range of over 2,000,000 models. Additionally, we have invested approximately 3 million USD in the past three years to modernize our facility, aiming to deliver improved service to our partners.

---

Our unparalleled product range is a primary distinction. We incessantly follow trends and introduce new models, ensuring our PARTNERS always remain aligned with contemporary demands.

# Sustainability

- 88% of Waste is recycled
- Collecting used goods from around 5,000 sales point.
- 100% of our Electricity produced from our solar panels.
- Since 2025 we control our Carbon Emission and report it.
