Bleaching Powder

500 gr. Blue, Grey and Purple.

Master Colorist Bleaching Powder is specially designed for professionals. When mixed with developer cream at a ratio of **1/1.5**, it bleaches the hair up to 7+ tones in a controlled manner and creates the desired natural blonde tones. It can be used on the entire surface of the hair or in regional lightening. Its sensitive formula prevents damage to the scalp. Depending on the desired tone, the application time is between **30-45 minutes** and no need to apply heat.

DELUXE MAXX NATURAL BEAUTY HAIR DYE KIT

With its ammonia-free special formula, it offers an odorless and comfortable coloring experience. Its rich oil-care content strengthens the hair.

There are 22 color options available. Thanks to the color-fixing agents in its formula, the color stays on the hair for a longer time.

Aloe vera removes dead skin cells from the scalp and soothes sensitive scalps. With the vitamins A, B, and C contained in aloe vera, it nourishes the hair and helps it grow healthily.

SEA COLOR

INTENSIVE HAIR LIGHTENER

Sea Color Smart Effect offers a lightening experience with intense, vibrant, and even tones while preserving the natural look of your hair. Thanks to its special formula, it delivers effective results without stressing the hair structure.

Lightening your hair without losing its natural appearance

Easy and practical application: Usage instructions are provided on the box.

This special formula, which prioritizes the health of your hair, allows you to achieve professional results in the comfort of your home.

SEA COLOR

INTENSIVE HIGHLIGHTING

With the perfect combination of olive oil, keratin, and argan oil, it nourishes, repairs, and strengthens your hair. The olive oil in its formula protects and moisturizes the hair during coloring.

The keratin it contains repairs damaged areas of the hair and provides protection against breakage.

The hair serum enriched with argan oil and vitamin E protects the hair against heat and provides intensive care.
