

## Company Overview

**Mega Merchant** is an e-export platform that provides **legal, logistics and financial infrastructure** to help brands in Turkey grow and expand their products into international markets.

We actively operate seller accounts across leading global marketplaces including **Amazon, Otto, About You, Zalando, bol.com, Kaufland and Trendyol**. Through these platforms, we manage and sell products for **more than 100 brands**.

Our sales portfolio is primarily focused on **women's apparel**, supported by additional categories such as **home textiles, cosmetic & personal care products, and paper hygiene products**, including toilet paper.

## Product Scope

- Women's apparel
- Home textiles
- Cosmetic & personal care products
- Paper hygiene products
