Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL MODERN

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

i Completely first-class MDF

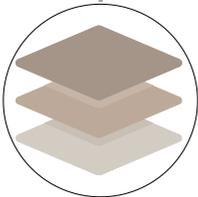

i Any type of door handle place can be fixed

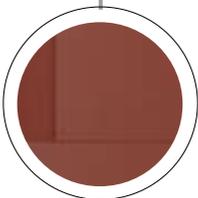

i Use of different Architraves to enrich view

i Multi-layers of color application

i 2 mm joints with 3x CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL ROBINIA

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

i 6 mm MDF
Door stile + Honeycomb
6 mm MDF

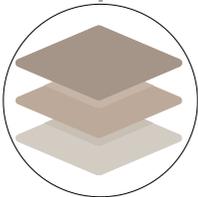

i Any type of door handle
place can be fixed

i Use of different
Architraves to enrich view

i Multi-layers of color
application

i 2 mm joints with 3x CNC
application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

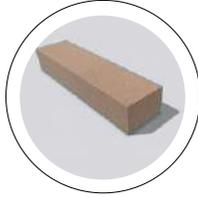

MODEL FAUNA

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

i Completely first-class MDF

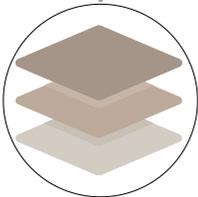

i Any type of door handle place can be fixed

i Use of different Architraves to enrich view

i Multi-layers of color application

i 2 mm joints with 3x CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL ILLUZYON

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

12 mm MDF
Door stile + Honeycomb
12 mm MDF

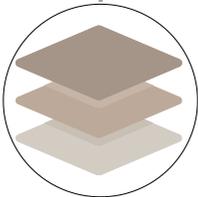

Any type of door handle
place can be fixed

Use of different
Architraves to enrich view

Multi-layers of color
application

Up to 10 mm joints with 5x
CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL 3 GÖBEK

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

i 12 mm MDF
Door stile + Honeycomb
12 mm MDF

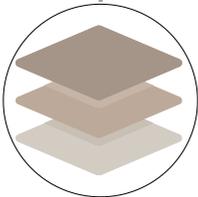

i Any type of door handle
place can be fixed

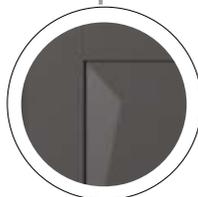

i Use of different
Architraves to enrich view

i Multi-layers of color
application

i Up to 10 mm joints with 5x
CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL 2 GÖBEK

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

i 12 mm MDF
Door stile + Honeycomb
12 mm MDF

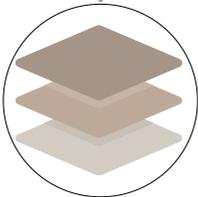

i Any type of door handle
place can be fixed

i Use of different
Architraves to enrich view

i Multi-layers of color
application

i Up to 10 mm joints with 5x
CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL SOFIA

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

8 mm MDF
Door stile + Honeycomb
8 mm MDF

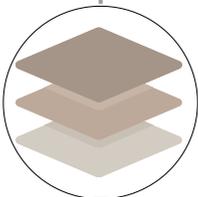

Any type of door handle
place can be fixed

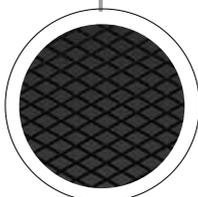

Natural teak wood veneer
application

Multi-layers of color
application

2 mm joints with 3x CNC
application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistance

Antibacterial

Fire Resistance

Anti Scratch

CNC

MODEL FAENZA

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

8 mm MDF
Door stile + Honeycomb
8 mm MDF

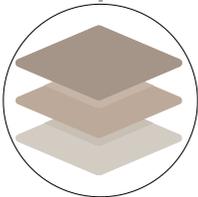

Any type of door handle
place can be fixed

Natural teak wood veneer
application

Multi-layers of color
application

2 mm joints with 3x CNC
application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

CNC

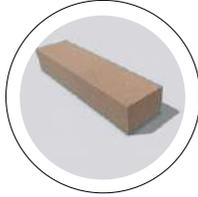

MODEL DECO

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

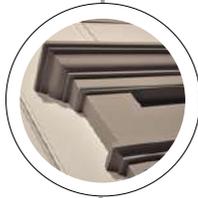

i Completely first-class MDF

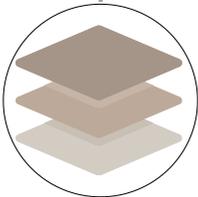

i Any type of door handle place can be fixed

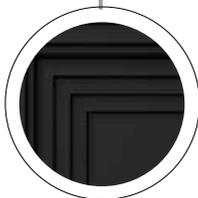

i Use of different Architraves to enrich view

i Multi-layers of color application

i 4 mm joints with 3x CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL AMERICA

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

i Completely first-class MDF

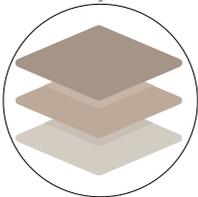

i Any type of door handle place can be fixed

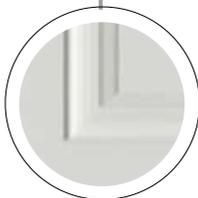

i Use of different Architraves to enrich view

i Multi-layers of color application

i 2 mm joints with 3x CNC application

ADDITIONAL APPLICATIONS

Weight Increasing

UV Color

Soundproofing

Water Resistancy

Antibacterial

Fire Resistancy

Anti Scratch

CNC

MODEL ECON

Alternative lacquer paint colors you can see on our website.

i Any RAL color can be applied.

6 mm MDF
Door stile + Honeycomb
6 mm MDF

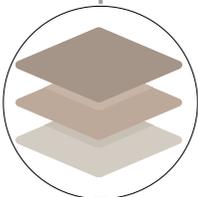

Any type of door handle
place can be fixed

Use of different
Architraves to enrich view

Multi-layers of color
application
