we
are C&B.

- We are founded in 2017 in Istanbul, Turkey and we have an experienced and dynamic team.
- Our strength is circular knitted garments across Kidswear (40%), Menswear (30%) and Ladieswear (30%) product areas.
- Our 16000m² factory is based in Luleburgaz (1,5Hr drive from Istanbul)
- We believe in good product and good service. We are flexible and prompt.
- With our best-in-field design and development teams, we present right product at the right price.

C&B COMPANY

we
design.

- Our designers are based in London and Istanbul
- Follow catwalks, trends, influencers
- Design based on needs of our customer
- Own a printhouse and an embroidery house, both based in Istanbul. This gives us opportunity to develop newness quickly and present innovative product

C&B COMPANY

we
make
good product.

- Lean manufacturing - check, correct, carry on for right at first time product
- Quality management systems in place
- Cutting - sewing - packaging all under one roof with 300 employees
- Product safety procedures followed
- Our factory's inhouse capacity is 420.000pcs/mth and planned to be 550.000pcs/mth by the second half of 2022.
- We also use affiliated subcontractors - all certified and traceable - which brings our total capacity to 900.000pcs/mth.

C&B COMPANY

we
care.

- Member of Sedex and we have zero non-compliance
 - because we care about our employees
- GOTS (Global organic textile standard) OCS (organic content standard) certification & RCS certification
 - because we care about our planet
- Fama certification
 - because we care about people being happy and comfortable while they wear their most loved t-shirt
