

MASCO Group is proud to be part the ambitious and promising aspirations of Saudi Arabia's Vision 2030. Our heritage and our government give us a greater sense of purpose and resolve to develop and improve our national infrastructure, but also our quality of life, security, safety and future. Eng. Abdulrahman Mohammed Alswailem Chairman of the Board We are proud to say that MASCO is one of the strongest, most resilient, experienced, and professional construction companies in Saudi Arabia and the region. We aspire to leadership in building smart infrastructure that embraces health, safety and environmental goals, plus a sustainable economy. MASCO Group is known for many things: roads, bridges, foundations, high-speed railway, reservoirs, energy, water sector materials, and much more. At the epicenter of our success has been our local communities, our talented workforce, and our exemplary client base.
